ANOTHER GREAT YEAR!!

What a great year we have had! From our Halloween costume parade to our Christmas Giving Tree Program to Solar Eclipse Day complete with Moon Pies and SunChips, to jersey days and hat days, we have had a wonderful time here at PREP! Over the course of the school year, we've watched your children grow in knowledge and friendships, become taller and smarter! We are blessed and thankful that you allow us to be part of this process.

During the last week of school, your child will receive a folder of information about his/her accomplishments, projects, and fun pictures. We hope this folder will become a treasured reminder of this very special year in the life of your child.

It has truly been a pleasure to work with the wonderful PREP Parents Executive Committee once again! They do so much for our school from Western Days to the Live Auction, they are the backbone of many things here at PREP. We are so THANKFUL for you!

We also want to thank PREP Parents for sponsoring the Teacher luncheons throughout the school year. We all look forward to this fabulous treat each month. THANK YOU!

Finally, thank you to ALL our parents! We truly appreciate all the little and big things that each one of you do to help make PREP a special place. We are incredibly grateful for all you do for us throughout the year!

2024-25 ENROLLMENT PACKETS

Enrollment packets will be ready for pick up the week of August 12, 2024.

Please fill out ALL the paperwork in the packet and return to PREP by Friday, August 23rd. PREP Open House for the 2024-2025 school year will be on Thursday, August 29th, 5:30-6:30pm.

SHOT RECORDS/VISION AND HEARING

If your child receives shots at their annual checkup over the summer, please save a copy of the shot record and ask for a physician statement of health. The state requires us to have an updated copy of these for the next school year. Also if your child is turning 4 or 5 years old, they MUST complete a vision and hearing test and we need a copy of that as well. Thank you so much for your help!

See you at
 Discovery Days
 or in September!
